

sdf_astar.SDFAStar.combined
Heuristics

cbf_rrt.CBFRRT.isSafe

inflated_astar.InflatedAStar.heuristics

```
graph LR; A[sdf_astar.SDFAStar.combined Heuristics] --> C[inflated_astar.InflatedAStar.heuristics]; B[cbf_rrt.CBFRRT.isSafe] --> C;
```

The diagram illustrates a dependency or data flow. Two source boxes on the left, 'sdf_astar.SDFAStar.combined Heuristics' and 'cbf_rrt.CBFRRT.isSafe', both have arrows pointing to a single target box on the right, 'inflated_astar.InflatedAStar.heuristics'. The target box is shaded gray, while the source boxes are white with black borders.
