The diagram illustrates a dependency or relationship between three components. On the left, there are two rectangular boxes. The top box contains the text 'sdf\_astar.SDFAStar.combined Heuristics'. The bottom box contains the text 'cbf\_rrt.CBFRRT.isSafe'. Arrows from the right side of both of these boxes point towards a single rectangular box on the right. This box contains the text 'sdf\_astar.SDFAStar.heuristics' and has a light gray background, distinguishing it from the other two boxes which have white backgrounds.
