

sdf\_astar.SDFAStar.combined  
Heuristics

cbf\_rrt.CBFRRT.isSafe

a\_star.AStar.heuristics

```
graph LR; A[sdf_astar.SDFAStar.combined Heuristics] --> C[a_star.AStar.heuristics]; B[cbf_rrt.CBFRRT.isSafe] --> C;
```

The diagram illustrates a dependency or inheritance relationship. Two source boxes on the left, 'sdf\_astar.SDFAStar.combined Heuristics' and 'cbf\_rrt.CBFRRT.isSafe', both have blue arrows pointing to a single target box on the right, 'a\_star.AStar.heuristics'. The target box is shaded gray, while the source boxes are white with black borders.
